#### **Senior-level UNFCCC event on enabling environments for technology transfer From negotiation to implementation – Let's make it work!**

A senior-level UNFCCC event between Governments, business and industry to discuss enabling environments for technology transfer under Article 4, paragraph 5, of the Convention. The event, organized by the secretariat in consultation with the Expert Group on Technology Transfer (EGTT), will take place from 10 a.m. to 1 p.m. in Plenary II. Opening keynote addresses will be made by Mr. Halldor Thorgeirsson, Chair of the SBSTA; Ms. Joke Waller-Hunter, Executive Secretary, UNFCCC; Mr. William Kojo Agyemang-Bonsu, Chair of the EGTT; and Mr. Charles Nicholson, Senior Adviser, British Petroleum (UK). The event will take the form of three panel discussions:

- Governments and international cooperation perspectives
- Private sector perspectives
- Public/private partnership and synergy

Please note: Interpretation will be available in all six official languages of the United Nations and also Italian.

***Information on the round-table discussions during the high-level segment***

Survey by the President of COP 9

*At the third meeting of the Conference of the Parties on Thursday, 4 December 2003, the President informed Parties of the preparations for the round-table discussions to be held during the high-level segment. The President stated that his main aim during the round-table discussions is to establish an atmosphere of constructive, open and interactive dialogue. Together with the co-chairs, he would like to provide an equal opportunity for all Parties to participate.*

*In this regard, the President invited Parties to submit replies to a "Survey by the President of COP 9: advance indication of intent to contribute at the round-table discussions during the high-level segment of COP 9". This survey will be used by the President and the co-chairs to assist in promoting a balanced and structured exchange of views. Every effort will be made to accommodate the first preference indicated by each Party on the survey form. **There will be no list of speakers.***

*The President will open each round-table discussion and introduce the co-chairs, who will be invited to make brief introductory remarks. The President will invite lead-off speakers from Annex I and non-Annex I Parties. The discussion will then be opened for Parties to make their contribution. Parties may also make statements on behalf of "Groups". There may also be opportunities for spontaneous contributions, to allow flexibility for Parties to join the discussion at any moment. The President and the co-chairs will request the understanding of Parties on time limitations for interventions, which ideally should not exceed two minutes for each speaker.*

*At the end of each round-table discussion, the co-chairs will provide an "impressionistic wrap-up". The President will issue, under his responsibility, a summary of all the round-table discussions, for inclusion in the report of COP 9, on Friday, 12 December 2003.*

*The round-table discussions will take place in Plenary I. There will be one seat at the table for the Head of delegation, and one seat behind for an adviser. Additional seating will be available at the sides and back of the room. The round-table discussions will be broadcast live on CCTV and webcast.*

***Parties are urged to return the survey form attached to the last page of this Daily Programme as soon as possible, but not later than 1 p.m. today, to the UNFCCC Information Desk located on the first floor, next to the Documents Distribution counter.***

**Invitation to Ministers and other Heads of delegation**

Ministers and other Heads of delegation will be cordially invited by the President of COP 9, H.E. Mr. Miklós Persányi, to join him for an informal welcoming coffee next Wednesday, 10 December from 8.30 a.m. to 9.30 a.m. Invitations will be issued in the next few days.

5 p.m. – 6 p.m.	RINGOs	Pescara

### **Security**

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they are requested to co-operate with the security team if they are requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they wear their conference badges in full view at all times.

### **COP 9 on the web**

For the duration of the conference, all official meetings, press conferences and some side events will be available on demand, with English, French or floor audio streams. On-demand files will be available shortly after the close of each meeting. A fully searchable database provides quick access to files, agenda information and documents. Please check the UNFCCC web site for the date and time of live webcast sessions at <http://unfccc.int/cop9/>

### **Wireless networking service**

The first and second floors, as well as the Media Centre, are equipped with a wireless networking service.

1. Participants **who have** WIFI installed in their laptops need only to enable automatic DHCP.
2. Participants who **do not have** WIFI installed in their laptops and would like to try it out may rent a WIFI PCMCIA card from Telekom Italia on a one- or two-week basis, in either the Business Centre or the Media Centre, both on the ground floor. Information and support for installation is provided by Telekom Italia as part of the rental fee.

### **IPCC documentation**

The following publications from the Intergovernmental Panel on Climate Change are available at the IPCC exhibit on the first floor between the conference rooms “Bologna” and “Naples”.

- IPCC Third Assessment Synthesis Report (Chinese, French, Russian, Arabic, Spanish)
- Outline of the IPCC Fourth Assessment Report (English only)
- IPCC Technical Paper V: Climate Change and Biodiversity (Spanish only)
- IPCC Good Practice Guidance and Uncertainty Management in National Greenhouse Gases (Chinese, Russian, Spanish, French)
- IPCC Good Practice Guidance for the LULUCF Sector (English only)
- IPCC Emission Factor Database on CD-ROM (English only)
- Presentations of our Side Events

Documents not on display can be ordered by leaving a business card at the IPCC booth.

### **Climate Change Kiosk**

Located on the first floor, the Climate Change Kiosk is staffed daily between 9 a.m. and 7 p.m. The Climate Change Kiosk's primary goal is to provide information about climate change and the secretariat. Further details on the facilities and services provided by the Kiosk are given in the booklet “Information for participants”.

**Climate Talk Days** are a special feature of the Kiosk, where representatives of intergovernmental and non-governmental organizations, business, industry and Governments are invited to give 10–15 minute presentations relating to one of the following themes:

Tuesday, 9 December	Transport
Thursday, 11 December	Global climate science

The goal of the theme days is to demonstrate linkages between, and share information about, the work of Parties, intergovernmental and non-governmental organizations and others that are active in the climate change process. The webcast of each talk and other information materials will be posted on the UNFCCC COP 9 web site. For more information, contact Sharon Taylor ([staylor@unfccc.int](mailto:staylor@unfccc.int)) or visit the Kiosk.

### **Free transportation**

Regione Lombardia has kindly offered all participants one free ticket each for use on public transportation in the city of Milan for the duration of the conference. Participants should collect their ticket from the Welcome Milan desk (taxi service), which is open from 8 a.m. to 8 p.m. on the first floor. Upon boarding, participants must show their COP 9 badge in addition to presenting their ticket.

### **Credentials**

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Conference Affairs office on the ground floor (Carrie Assheuer).

### **Pigeonholes for delegates**

Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located opposite the Documents Distribution counter. Messages may also be placed on the message boards in the foyer of the first floor. Message boards for non-governmental organizations are located at the Information desk in the foyer of the first floor. Participants are requested to refrain from distributing non-official material via the pigeonholes.

### **Meditation room**

A room for meditation and prayer is available to participants on the second floor of the conference facilities, adjacent to Plenary I.

### **Lost and found items**

Participants are reminded not to leave personal belongings in meeting rooms. The Security office, located near the entrance to the conference facilities, is responsible for lost and found items.

### **SIDE EVENTS**

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "...inSide climate change", available from the Information desk and Documents Distribution. See also the secretariat web site: <http://unfccc.int/cop9/>

The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.
