Information on the round-table discussions

The round-table discussions for Thursday, 11 December 2003, are as follows:

- *Technology, including technology use and development and transfer of technologies from 10 a.m. to 1 p.m.*

*Co-chairs: H.E. Ms. Paula Dobriansky, United States of America
H.E. Mr. Mohammed Valli Moosa, South Africa*

- *Assessment of progress at the national, regional and international levels to fulfil the promise and objective enshrined in the climate change agreements, including the scientific, information, policy and financial aspects from 3 p.m. to 6 p.m.*

*Co-chairs: Mr. Fernando Tudela Abad, Mexico
H.E. Mr. Jürgen Trittin, Germany*

The President will open each round-table discussion and introduce the co-chairs, who will make brief introductory remarks. The President will invite “lead-off” speakers from Annex I and non-Annex I Parties. The discussion will then be opened for Parties to make their contribution. The President has written to ministers and other heads of delegation informing them of the round-table discussion in which their participation would be assured. Parties may also make statements on behalf of “Groups”. There may also be opportunities for spontaneous contributions, to allow flexibility for Parties to join the discussion at any moment. The President and the co-chairs will request the understanding of Parties on time limitations for interventions, which ideally should not exceed three–four minutes for each speaker.

At the end of each round-table discussion, the co-chairs will provide an “impressionistic wrap-up”. The President will issue, under his responsibility, a summary of all the round-table discussions, for inclusion in the report of COP 9, on Friday, 12 December 2003.

The round-table discussions will take place in Plenary I. There will be one seat at the table for the Head of delegation, and one seat behind for an adviser. Additional seating will be available at the sides and back of the room. The round-table discussions will be broadcast live on CCTV and webcast.

Late night restaurant facilities

The coffee bar on the first floor is now open 24 hours a day and the restaurant in the Italian Pavilion will be open until midnight. This service has been arranged by the Italian Ministry of the Environment and Territory.

Late night taxi and shuttle bus service

Taxis can be arranged from midnight until 7 a.m. through the Welcome Milano desk on the first floor.

A shuttle bus service will also run between midnight and 7 a.m. to “Stazione Centrale” and “Duomo”, departing every 30 minutes from Porta Gattamelata.

Security

Enhanced measures have been put in place to ensure the safety and security of conference participants. Consequently, they are requested to co-operate with the security team if they are requested to verify their identity. This may lead to some inconvenience at times, but it is expected that participants will understand the need for such arrangements. To this end, participants should ensure that they wear their conference badges in full view at all times.

COP 9 on the web

For the duration of the conference, all official meetings, press conferences and some side events will be available on demand, with English, French or floor audio streams. On-demand files will be available shortly after the close of each meeting. A fully searchable database provides quick access to files, agenda information and documents. Please check the UNFCCC web site for the date and time of live webcast sessions at <http://unfccc.int/cop9/>

Wireless networking service

The first and second floors, as well as the Media Centre, are equipped with a wireless networking service.

1. Participants **who have** WIFI installed in their laptops need only to enable automatic DHCP.
2. Participants who **do not have** WIFI installed in their laptops and would like to try it out may rent a WIFI PCMCIA card from Telekom Italia, in either the Business Centre or the Media Centre, both on the ground floor. Information and support for installation is provided by Telekom Italia as part of the rental fee.

Free transportation

Regione Lombardia has kindly offered all participants one free ticket each for use on public transportation in the city of Milan for the duration of the conference. Participants should collect their ticket from the Welcome Milan desk (taxi service), which is open from 8 a.m. to 8 p.m. on the first floor. Upon boarding, participants must show their COP 9 badge in addition to presenting their ticket.

Credentials

Credentials of representatives, alternate representatives and advisers shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs. Delegations are kindly requested to forward the corresponding letter of credentials to the secretariat in the Conference Affairs office on the ground floor (Carrie Assheuer).

Pigeonholes for delegates

Pigeonholes for the distribution of official documents and messages, which delegates are kindly requested to check at regular intervals, are located opposite the Documents Distribution counter. Messages may also be placed on the message boards in the foyer of the first floor. Message boards for non-governmental organizations are located at the Information desk in the foyer of the first floor. Participants are requested to refrain from distributing non-official material via the pigeonholes.

Meditation room

A room for meditation and prayer is available to participants on the second floor of the conference facilities, adjacent to Plenary I.

Lost and found items

Participants are reminded not to leave personal belongings in meeting rooms. The Security office, located near the entrance to the conference facilities, is responsible for lost and found items.

SIDE EVENTS

For a full schedule of side events during the sessions and a list of the exhibits, please see the brochure "...inSide climate change", available from the Information desk and Documents Distribution. See also the secretariat web site: <http://unfccc.int/cop9/>

The secretariat would like to note that the scheduling of events remains dependent upon the demands of the negotiating process. For short-term changes please consult the CCTV monitors.
